Boréal Solutions inc. — FICTIONAL DOCUMENT | Version 2.1 | September 1, 2026

This document is entirely made up for developing and testing a RAG assistant. It is not a real policy or legal advice. Any resemblance to an existing company is coincidental.

EXP-01 | Scope

This policy governs expenses incurred by employees on behalf of Boréal Solutions inc.: travel, meals, lodging, supplies and training. It replaces version 1.0 of January 15, 2025.

EXP-02 | Prior approval

Any expense of CA$500 or more must be approved in writing by the manager before it is incurred. An expense of CA$2,000 or more also requires approval from the finance department. An expense under CA$500 does not require prior approval if it complies with this policy.

EXP-03 | Meals while travelling

During a business trip outside Québec City, the meal allowance is $15 for breakfast, $25 for lunch and $40 for dinner, for a maximum of CA$80 per day. Alcoholic beverages are never reimbursed. Meals in Québec City are not reimbursed, except for a business meal with a client approved by the manager.

EXP-04 | Use of a personal vehicle

Use of a personal vehicle for work is reimbursed at CA$0.62 per kilometre. The usual commute between home and the office is not reimbursable. Mileage must be entered in the travel form with the departure and arrival addresses.

EXP-05 | Lodging

Lodging is reimbursed up to CA$210 per night, plus taxes, in a standard-category hotel. Any excess must be justified and approved by the manager. Bookings are preferably made through the designated travel agency.

EXP-06 | Training expenses

Training registration fees are charged to the annual training budget set out in the Human Resources Policy (HR-07). Travel expenses related to training follow rules EXP-03 to EXP-05 and are not deducted from that budget.

EXP-07 | Submission deadline and receipts

Reimbursement claims must be submitted within 30 calendar days of the expense, with original receipts or a legible photo. A claim submitted after 90 days is refused, except in exceptional circumstances approved by the finance department. Reimbursements are paid with the next payroll after approval.

EXP-08 | Corporate credit card

A corporate credit card may be issued to employees who travel more than four times a year. The monthly limit is CA$3,000. Any personal expense on this card is prohibited and must be repaid within 10 business days.
