Human Resources Policy

Boréal Solutions inc. — FICTIONAL DOCUMENT | Version 1.0 | September 1, 2026

This document is entirely made up for developing and testing a RAG assistant. It is not a real policy or legal advice. Any resemblance to an existing company is coincidental.

HR-01 | Scope

This policy applies to all regular employees of the fictional company Boréal Solutions inc. Freelancers and suppliers are not covered unless their contract says otherwise. The Human Resources department is responsible for interpreting this policy.

HR-03 | Annual vacation

Employees with fewer than 3 full years of service receive 3 weeks of paid vacation per reference year. From 3 full years of service, they receive 4 weeks. From 10 full years, they receive 5 weeks. These are fictional benefits specific to Boréal Solutions, not a statement of legal minimums.

An unplanned absence must be reported to the manager before 9 a.m. on the day concerned, unless reasonably impossible. Medical documents are only requested when permitted and necessary; they are handled confidentially.

Each permanent employee has a fictional annual budget of CA$750 for professional training. Any expense must be approved before registration. Reimbursements are processed upon presentation of the invoice and proof of attendance.

HR-08 | Confidentiality and data protection

Employees must use approved locations to store company information. Sending confidential files to an external AI tool is prohibited without prior authorization and risk assessment.
