New Employee Onboarding Guide

Boréal Solutions inc. — FICTIONAL DOCUMENT | Version 1.3 | September 1, 2026

This document is entirely made up for developing and testing a RAG assistant. It is not a real policy or legal advice. Any resemblance to an existing company is coincidental.

ONB-01 | Welcome

This guide describes your first weeks at Boréal Solutions inc. It complements, but does not replace, the Human Resources Policy and the other internal policies.

ONB-02 | First day

On your first day, report to the 4th-floor reception at 9 a.m. Your manager will give you your laptop, access card and credentials. A one-hour welcome meeting with Human Resources takes place at 1 p.m.

ONB-03 | Buddy program

Each new employee is paired with a buddy from another team for their first 90 days. A 30-minute meeting is scheduled every week during the first month, then every two weeks.

ONB-04 | Probation period

The probation period is 90 calendar days. A formal evaluation takes place on day 45 and day 85. During probation, vacation accrues normally but cannot be taken, except with written authorization from Human Resources.

ONB-05 | Remote work during onboarding

During the first 30 days, work is done entirely at the office to support onboarding. After that period, the remote work rules of the Human Resources Policy (HR-05) apply.

ONB-06 | Benefits

Group insurance coverage starts on the first day of the month following three months of service. The pension plan provides an employer contribution equal to the employee's, up to 5% of salary, after six months of service.

ONB-07 | Mandatory training

Three online courses must be completed within the first 14 days: information security, occupational health and safety, and code of conduct. They are not charged to the annual training budget.

ONB-08 | Who to contact

Payroll and benefits questions: Human Resources (hr@boreal-fictif.test). IT support: the Boréal Aide portal. Questions about your tasks: your manager or your buddy.
